## OFFICIAL COMMUNICATION **003/2022**

**Subject: European Championships Show & Precision in Forli / Italy**

**To: National Federations**

**Date: 2022/06/24**

### Organizational Information / Important

Dear all:

We are very pleased to inform you that we received a lot of registrations for the European Show Event. This is a great development for our sports. Due to the many registrations, we however need to start the training on Thursday already earlier at 12:00/noon. We will start the training with the Italian Teams so the other nations have more time to arrange for their travel.

We are sending to you enclosed the (i) training schedule and (ii) competition schedule for the event.

Please be so kind and come well prepared to the registration of your teams on Thursday with the payment information printed out and the ID/Passport of the Skaters. Please also register the officials/trainers attending the Sunday Meeting latest on Thursday so we have a proper overview of the number of attendees.

Please distribute this information to your teams and clubs at your earliest convenience.

Many thanks and see you very soon in Forli,

Gabriela Otten
