Precisazioni Norme Attività

Si rende noto che World Skate ha inviato una comunicazione riguardante le precisazioni delle norme attività 2025 internazionali (Amendments). In attesa di un recepimento delle norme modificate nel regolamento italiano si riportano in allegato le comunicazioni originali di World Skate.

IL SEGRETARIO GENERALE
(Angelo Iezzi)

IMPORTANT INFORMATION AMENDMENTS TO WORLD SKATE DOCUMENTS 2025

General 2025

2.20 Costume Requirements - Figures

If skaters are wearing EXISTING National or Club uniforms for skating figures, it is not necessary to stitch the stones. However, please ensure that the stones are securely fixed to the costumes. Penalties will apply if any part of the costume falls on the floor.

Style Dances

As discussed at the seminar ATC is issuing a document with detailed themes, descriptions and requirements. The document can be found in World Skate Artistic Rules.

Compulsory Dances

As discussed at the seminar ATC is issuing a dance book of 2025 dances. This document can be found at this link.

Federation Foxtrot (Solo) / Reference Steps

Step 13 - must start before the longitudinal axis.

Fourteen Step (Couples) / Key Point 2

2. Steps 8: Ops RFI (1 beat) and Step 9: OpMk LBI (1 beat) for the man

- Correct timing of the steps;
- Correct technical execution of the Open stroke on a clear inside edge;
- Correct lean of the body toward the center of the rink;
- Correct execution of the open Mohawk, placing the left skate to the inside of the right skate close together, respecting the prescribed edges required before and after the turn.

Imperial Tango (Couples) / Reference Steps & Key Point 1

Step 6 - must start on the short axis

Step 16 - must start on the long axis

1. Step 4 - OpMk RBI (1 beat) and step 5 LBO (1 beat) for both:

- Correct timing of the steps;
- Correct execution of the open Mohawk, placing the right skate to the inside of the left skate close together, respecting the prescribed edges required before and after the turn;

- Correct technical execution of the **LBO stroke**, executed on a clear outside edge (the position of the free leg is optional). No deviation from the outside edge;
- For the couple: the distance between skaters should be controlled and partners should remain close together, avoiding separation.
